

HOPE-A - IAPE Joint Workshop on OEs

HOPE-A – IAPE Joint Workshop on Organic & Printed Electronics
Monday 2nd of July 2018 at 15:00-18:00 in Porto Palace Hotel

Programme

15:00-15:15 Welcome by the Vice Secretary of IAPE & President of HOPE-A Professors L. Luhai and S. Logothetidis

15:15-15:45 Presentation of IAPE Vice Secretary,
Prof. L. Luhai (IAPE, Beijing institute of Graphic Communication, China)

15:45-16:00 "Overview of printed electronics activity in China",
Prof. Zheng Cui (Suzhou NanoGrid Technology)

16:00-16:15 "Overview of Printed Electronics in Greece and HOPE-A Worldwide Collaborations", Prof. S. Logothetidis (HOPE-A, Greece)

16:15-16:30 "Nanotechnology Lab LTFN & COPE-H",
Dr. A. Laskarakis, (LTFN, AUTH, Greece)

16:30-16:45 "Smart Flexible Packaging – A printer's perspective",
Dr. L. Tourasanidis (A.Hatzopoulos S.A., Greece)

16:45-17:00 "Research Commercialization in Organic Electronics of Western Greece",
Prof. I. Kallitsis (Advanced Polymers & Hybrid Nanomaterials Research Lab, Chemistry Dept.,
University of Patras, Greece)

17:00-17:15 "OET Enabling Fully Printed Organic Photovoltaic and OLED Technology for Mass Market Entry", Mr. V. Matskos (OET, Greece)

17:15-17:45 Discussion and Closing Remarks

18:00 General Assembly of HOPE-A

21:00 Official Workshop Dinner at Triaktis Tavern
