

PRIVACY NOTE: Terms and Conditions of Participation

Dear participants of the NANOTEXNOLOGY events,

Please note, that we need to process your personal data for the organization of the NANOTEXNOLOGY and all its individual events and meetings.

Your personal data can be used for:

- a) Documentation related to the event organization and promotion:
 - Information of participants with limited personal information (Full name, Company, City, Country). This information can be presented at the event during the promotional activities and it will be available to participants of the event
 - Name badges
- b) Preparation of event-related information and materials that can be sent to you

Please also note, that photographs will be taken during the NANOTEXNOLOGY events.

The Organizing Committee receives the right, without special remuneration, to create photographs and related promotional posts in connection with this event and use or allow the use of these photographs in audiovisual media (e.g. NANOTEXNOLOGY website, e-mail campaigns, social media as LinkedIn, X, Facebook, Instagram) and in print media (Booklet, Abstract Book, Catalogues, Brochures, etc).

The photographs can be used on the official websites of the NANOTEXNOLOGY and its events (e.g. ISFOE, NN, ISSON, AI3D, AGRINANO, EXPO) as well as on their social media platforms (on LinkedIn, X, Facebook, Instagram) and exclusively for the promotion and reporting purposes and documentation of the event afterwards. There will be no further processing of the images. We shall store the data for as long as it is needed for the purposes related to our processing.

By registering for the NANOTEXNOLOGY events, you confirm that you have read and accepted this notification. You can object at any time should you not wish to have your personal data processed to obtain information on future events.
